OBJECTIVE

Front-end developer with 2+ years of experience building scalable, responsive web apps using React, Next.js, and TypeScript. Seeking Australia-based roles to craft impactful UI and deliver high-performance user experiences.

EDUCATION

Master of Information Technology, Queensland University of Technology, Australia Expected Dec, 2025
Current GPA: 6.2 / 7.0

Bachelor of Computer Science, Chitkara University, India 2019 - 2023
CGPA: 9.92 / 10.0

SKILLS

Front-end	React.js, Next.js, React Native, Angular, TypeScript, Tailwind CSS, JavaScript
Back-end and Other	Node.js, ExpressJS, MongoDB, Firebase, GraphQL, REST APIs, JWT, Git, Github

EXPERIENCE

Frontend Developer (Contract) Mar 2025 – Present
TrueDream AI *Remote (Australia)*

- Solely built and maintained the frontend architecture using Next.js, Tailwind CSS, and GraphQL
- Implemented core product features including OTP-based auth, onboarding tours, and dynamic dashboards
- Collaborated directly with the founder to deliver responsive, accessible UI components with strong UX focus

Associate I - Technology (Frontend Developer) Jan 2023 – Feb 2024
RMgx Technologies LLP *Gurugram (India)*

- Developed frontend features for projects including video streaming platforms and e-commerce dashboards
- Improved performance, accessibility, and responsiveness of UI components across web platforms
- Worked closely with designers and backend developers to integrate REST APIs and deliver scalable solutions

Web Development Intern May 2022 – Dec 2022
RMgx Technologies LLP *Gurugram (India)*

- Built reusable UI components and integrated REST APIs using React and Axios
- Contributed to real-time dashboards and admin panels with mobile-first responsiveness

PROJECTS

EventHive. Event platform built with React and React Native supporting login, ticket booking, admin dashboard, and role-based access. Integrated REST APIs, pagination, and form validation.

CisoZen. AI-powered cybersecurity tool using Python, LangChain, and Azure Event Grid. Automated risk classification by integrating with CisoZen's milestone-based APIs.

HONOURS AND AWARDS

Core Value Award – Learning Sep 2022
Recognized at RMgX for consistent commitment to learning and self-growth.

Rising Star Award Dec 2022
Awarded at RMgX for exceptional ownership, initiative, and outstanding performance throughout 2022.
